Terms and Conditions

I agree to provide a photo of the Pet.

The pet/s if approved are to be outside at all times. The tenant/s shall be liable for any damage caused by the pet/s whilst residing in the property. If damage occurs during the tenancy, our agency is to be advised as per the terms of the tenancy agreement and the damage rectified within a reasonable time frame. The tenant/s understand and agree that full FLEA fumigation must take place at the end of tenancy (and during the tenancy if necessary); and upon vacation of the property a receipt must be provided from a reputable pest control company.
